237/22 SPIRIT OF CORBY AWARDS DEBRIEF

The following points were made in relation to how it was felt this event went –

1. The runners up from each category should also have their certificates framed and if we can slow the evening down slightly to include them collecting after each category winner has finished and include a photograph at the same time it will avoid missing them at the end of the evening
2. The event could include some kind of photo booth at the rear of the hall.
3. Start advertising and collecting nominee earlier.
4. Try and get a more even descriptions of why each person has been nominated and photo to include in the program.
5. Look at alternative compere's who could also entertain between each category.
6. It was agreed the disco at the end worked well.

- PRIDE

Meeting this evening 6-7pm was well attended. The date has changed to the 10th June and was confirmed by the working group. The plan of the whole event has now been split in to 6 areas – Parade, Stage/Entertainment, Vendors/Stall Holders, Admin Tasks, Budget and Sponsors. Councillors and the public attending the meeting have been asked to add their name against and area they feel matched their skill set and the group will be broken down and work can be focused on each areas rather than the whole event to enable things to be booked and organised.

A meeting to run through this breakdown with Cllr Reilly confirmed for Monday 16th January at CTC office with AM and RR.

A vice-chair is also required for this working group and this can be voted through at full council on Tuesday 17th January.
