Grant Policy

General Principles

Corby Town Council is funded only by the local residents of Corby and therefore has only limited funds available to assist community organisations located and working in Corby for the benefit of Corby residents.

Subject to funding being available, Corby Town Council is committed to providing assistance and support to local community groups which are set up to promote community life for Corby residents.

The Council's financial support is provided by way of Grants which are decided against conditions set by the Town Council. These are designed to be a general indication of need but are not exclusive and can be flexibly applied.

The Town Council's Policy on Community Grants is based on the principle of promoting the development of partnerships which encourage and enable local community organisations to deliver

local projects to the residents of Corby. In general, the following principles apply:

- Grants will be considered on a ward basis by the Ward Councillors who will each be allocated £2,000 for grants.
- Funding will be given on a need basis, merit of the project and overall benefit to the local community
- Applicants must clearly show how any assistance given will benefit the people living in Corby or the environment of Corby
- Funding will normally only be awarded up to a maximum value of £2,000 depending on the Council's budget allocation and may be subject to constraint
- All funding given will be subject to monitoring and evaluation of the outcome of the grant
- Organisations should not assume that funding will continue on a year to year basis

The Aims of the Councils Grant making Policy

- To enable local people to participate in voluntary groups and activities
- To help the Town's voluntary groups to improve effectiveness
- To ensure the provision of services, needed by the Town's residents, via the voluntary sector
- To support organisations which meet the needs of people experiencing social and economic difficulties
- To ensure that there is equality of access and opportunity for all Corby Town residents to the services it provides and funds

(The Town Council defines a voluntary group as a non-profit making organisation, set up and run
